Store Specifics

Now lets look at what you want and need

- Determine the overall look of your store. Do you need specific images, colors, or other parts of your brand assets to be used in the store's general design?
- Think of the user of the store and if individual users or groups will need different shopping experiences.
- Will there be stock to be kept in our warehouse for immediate shipment?
- Determine what categories you want to offer to your users.
- Think about the type of products you'd like to have in the store and what options you'd like to offer.
- Think of what logos you'd like to use and whether you'd like to allow users to personalize certain products.
- With a variety of payment and custom payment methods, what options you would like to provide to your shoppers?
- For spending control, manager approvals to help avoid unauthorized purchases.

Company Stores Overview

Total Brand Control:

You will be able to put just one or two people in charge of all of the promotional products, company apparel, uniforms, print materials and labels for your entire company. This gives you brand control, accountability and efficiency.

Dedicated Support TEAM:

We will develop a partnership with you and you will be a signature account, meaning you have a service, production, and sales team dedicated to you.

Shipping Options:

Customers can take advantage of our negotiated carrier rates. If your company has deeply discounted rates with UPS or FedEx, we can also setup your online store to use your 3rd party account. We can also setup different levels of users with access to different shipping options.

In-House Capabilities:

- Screen print
- Embroidery
- Custom Name-Drop Capabilities
- Sublimation
- Appliqués
- Laser
- Single-piece to multi-thousand-piece production capabilities

Pull & Ship:

Depending on the type and scope of the program, same day shipping is available.
